Pat,

As discussed, your proposal is acceptable to me.

Regards,  
David

Roberto,

How are you doing?

I have a question for you regarding the Dome Light installation.

While tightening the screws the assembler found the screws are pulling the plastic material into the Dome Light Frame due to the countersink.

Could we drill symmetrical holes between the existing holes without countersinking and sign it of as a deviation.

Pat

Hey,  
Here are the images that you requested.

Thanks,  
Lisa McMachen
